Rafael and Bernadette, SSIS's mathematically gifted students.

It runs in the blood. For some students, mathematical ability seems to run in the family. Siblings Juan Rafael and Maria Bernadette Landicho once again show their brilliance with numbers by qualifying for the second round of IMAS (International Mathematical Assessment for Schools).

The siblings are two among the 268 qualifiers nationwide; out of 2500 who took the assessment. The Landicho kids' passion for numbers, coupled with support from their parents, teachers, and friends, catapulted them to great heights.

Congratulations as well to the teacher-coaches Tr. Cardz and Tr. Maris.

valiant knight advances to national science quest

A Fourth Grade pupil makes a mark by qualifying to the 13th National Science Quest organized by the Association of Science Educators in the Philippines.

Alfonso Rafael "Fonzy" Ofreneo will represent Batangas City Division in the competition this February 5-7, 2015 at Brentwood Hotel, Baguio City.

Fonzy, a lover of books and everything about Science has been winning in Science Quiz Bees for quite a few years now. He is keeping his fingers crossed for another victory this time. His training with his teacher-coach Sir Christian is on-going..

Be like Fonzy, a champion in Quiz Bee.

Winsome Wednesday!

To God be the Glory.

The SSIS community has received countless blessings in a span of two decades, thus, we invite everyone to join us in a Thanksgiving Mass this Wednesday, February 3, 8:00-9:00AM at the SSIS gymnasium.

Special Muffi. Wednesday is also a special muffi day and everyone is expected to wear their 20th Foundation Day shirts. (Just remember to wash it immediately for our VK@EK on Friday)

GOT TALENT?

FLAUNT IT!

Singing, dancing, playing musical instruments, acting – if you have it, unleash it at the VK Got Talent 20th Foundation Special Edition. Do not limit yourselves to the above talents though – think outside the box. You may do juggling, magic, stand-up comedy, dubbing, and other things you can do that have entertainment value.

20 YEARS, 20 DREAMS TO BE FULFILLED SOON

The 20 years, 20 dreams project of the SSIS students was moved to a later date. This is to give more preparation time for each class in terms of logistics. This way, we can be sure of the success of the project. Details will be communicated in the succeeding issues of the bulletin.

GOT YOUR COIN BANK FULL?

For students who have filled their Habitat for Humanity coin banks, you may surrender them to Ms. Ella. If you want more coin banks, you may also get from her. For those who haven't saved enough, please be reminded that the coin banks will be retrieved in March. A lost coin bank will be charged P300.

VK@EK

Excitement builds up as the EK day comes near. It is the most opportune time for family bonding, creating an adventure, and achieving squad goals.

Everyone is expected to be outside the EK gates at 10:30AM for the assembly. When the gates open at around 10:45AM, everyone will proceed to the band stand for the one-hour culminating program and awarding of winners in all competitions. The reckoning for Perfect Attendance begins at 12:00NN. After the attendance, everyone is free to roam around with their families and friends.

Preschool to Grade 6 pupils need to be accompanied by a parent/s or an adult guardian inside the park.

For High School students whose parents will not be able to come, please provide a letter or personal consent. You are also required to fill-out the reply slip of this bulletin to supply information about the fetcher.

Everyone is free to leave at their chosen time.

Reminders:

- Wear your 20th Foundation Shirt.
- Bring a cap, sunblock, face towel, and umbrella.
- Bring a change of clothes (top, pants, and undies) in case you want to try some rides where you will get wet.
- As it is a school activity on a school day, all rules will apply in terms of decorum.

IMPORTANT

School raises fees for the next academic year

To cover inflation and other business costs, the school will implement a minimal 3-4% increase in tuition fees on AY 2015-2016. This however, will redound to the benefit of the SSIS community in terms of improved instruction, facilities, and services.
