# PARENTING CORNER

## Do Say "Do"

Try telling children what to do rather than what not to do. Using **DO** rather than **DON'T** may be difficult at first, but the improved relationship that result will make it well worth your thought and practice.

**Examples :**

- Do:** Hold your coat so it doesn't drag.
- Don't :* Don't drag your coat on the ground.
- Do:** Carry the kitten gently.
- Don't :* Don't squeeze the kitty.
- Do:** Close the door softly, please.
- Don't :* Don't slam the door.
- Do:** Color on this page.
- Don't :* Don't draw on the table.

Remember : Use the same rules when talking to children as you use for talking with the most important people in your life.

## STUDENT COUNCIL

### UPDATES

#### BOTTLES FOR A CAUSE

The Junior and Lower School Student Council recently launched their first project – Bottle for a Cause. Students are encouraged to collect plastic bottles and deposit them on the designated boxes that they will find in the hallways and inside the classroom. These bottles will be sold at junk shops so the Council could raise funds for their upcoming bigger projects. This initiative also aims to instill a sense of responsibility to students in terms of throwing their otherwise reusable trash.

## GREAT TEACHERS MUFTI

### Tribute to great teachers.

Mufti Day coincides with Teachers' Day on October 5. To show our appreciation and gratitude to our mentors, let us dress up as one of the great teachers of the world. You can come as **Jesus, King Solomon, Aesop, Confucius, Siddharta Gautama (Buddha), Aristotle, Plato, Socrates or Annie Sullivan**. You may also do a research on other noble teachers who are not mentioned in this article. A fee of P20 will be collected from students who will wear a great teacher outfit and P30 for those who will wear civilian clothes. SSIS students who are in complete uniforms do not have to pay any fee.
