## SSIS Basketball Varsity Team Plays at AISAC In Jakarta, Indonesia

Stonyhurst Southville International School has been invited to be a guest in the upcoming Asian International Schools Activities Conference (AISAC). Our Basketball Varsity, together with some representatives from the Batangas Campus, will be a guest team in this year's league to be held in Jakarta, Indonesia. Our students will have the opportunity to meet new friends and learn values like discipline, teamwork, and fair play through a series of games and activities against other international schools.

AISAC is an organization founded by Southville International School and Colleges (SISC) and Global Jaya International School (GJIS). GJIS, like SSIS is accredited by the Western Association of Schools and Colleges (WASC) and offers the International Baccalaureate Program.

The AISAC was established with an objective of providing a cross-cultural experience to our students through sports. This year, the sports that are included are basketball, volleyball, and football.
